- Anthropology    •Ecoscience    •Environmental science
- Engineering    •Biology    •History of Ideas
- Business    •Law    •Medicine

#### Japan Alumni and Research Assembly (JARA)

JARA 2022 is organized with TUEC/Tokai Alumni Denmark and participation of the Embassy of Japan in Denmark and the Japan Society for the Promotion of Science (JSPS) Stockholm and Alumni Club Denmark. If you are new to JARA, it is an extremely important event in the JSPS Alumni Club Denmark (ACD) calendar. JARA stands for Japan Alumni and Researcher Assembly and aims to promote networking within the Japan-related research community in Denmark, and to provide a forum for Danish and Japanese researchers, professionals and students to meet, and promote Japan-related research and student scholarships.

Register by February 24 at <https://events.au.dk/jspsjaraevent2022>
