

# KULTURELLE DYNAMIKKER

## OPEN LECTURE

### *Outline of a Theory of Place*

**By Tim Cresswell, Professor  
of History and International Affairs at  
Northeastern University, Boston**

Tim Cresswell has worked extensively on the role of place and mobility in cultural life and has widely discussed the spatial turn in cultural studies. He has published central works such as *The Tramp in America* (2001), *Place: A Short Introduction* (2004) and *Geographical Thought: A Critical Introduction* (2012). Professor Cresswell is also editor of the journal "Cultural Geographies".

For further information, contact Mikkel Thelle,
